### / PERSONAL PROJECTS

#### >> Up The Punx

upthepunx.eth | 2022 to present  
Up the Punx is an NFT based platform that plans to leverage NFT technology as access control to artist content and media.

#### >> The DamageSquad Newsletter

thedamagesquad.substack.com | 2022 to present  
Newsletter related to Martial Arts that have comprehensive technique breakdowns and training advice.

#### >> MoneyShot

IOS and Android App | 2012-2015  
Mobile App allowed users to buy each other drinks at local bay area bars. I was the founder and heavily involved in the design, marketing, content creation. The process inspired me to learn software development.

### / WORK EXPERIENCE

#### >> Web Developer and Content Creator

The Damagae Squad | 2021 to present  
www.thedamagesquad.com  
I have created a content management website for my personal training business. It was developed with NEXTJS, Tailwind CSS, using the GRAPH CMS API, and created all images, design, and content.

#### >> Production Coordinator and Personal Trainer

3eb (Third Eye Blind) | 2021 to present  
Assistant to the Production Manager and in charge of coordinating day-to-day procedures related to touring and show production. I also teach 5 JiuJitsu sessions a week to various band members and crew.
